## WHY YOU WILL LOVE THIS -

Situated on the Mornington Peninsula, the prestigious township of Portsea is an idyllic spot for a relaxing break for yourself and that special someone in your life. Located just 90 minutes from Melbourne, Portsea is a popular holiday spot for the rich and famous and is peppered with quaint weekend retreats among its peaceful bays and rugged coastline.

What makes Portsea so special is that it provides an escape from city chaos without needing to travel too far. This is your chance to unwind and take time out as you settle into your light and airy, fully contained apartment with private balcony. The apartment is set within a resort ideally positioned opposite the beach and includes fantastic facilities such as two heated swimming pools, two spas, a sauna, tennis and squash court and gym. Your getaway includes a tasty dinner and a breakfast basket for two as well as access to all of the resorts amenities.

If you can peel yourself away from turning the pages of your book by the sun soaked pool, there is plenty of activities to fill your time in Portsea. Explore the National Park. Hire a kayak and paddle in the bay with dolphins. Practice your golf swing or surf technique. Go on a fishing charter or snorkel with the seahorses and reef fish.
